## PREFACE.

THE design of the following Work, will at once be perceived, on perusal of the title-page. Its utility needs no illustration; for, to almost all classes of the community, it will obviously be found both useful and convenient, as a book of reference. It is published in a portable form, to make it a convenient pocket companion; and it is sold at a low price, to place it within the reach of all. The collection and arrangement of the materials for this Register, has been a work of considerable labour; and difficulties and delays have attended it, which were not anticipated. After all the pains that have been taken, to render it complete, a few chasms still unavoidably remain. These chasms, however, it is hoped, will not be deemed of much, or of serious importance. Should this attempt to promote general convenience, meet with a sufficient share of public patronage, the appearance of a similar work, may, in future, be annually expected. Subsequent Registers, should any appear, will, in all probability, be more full and copious than the present one; as the foundation is now laid for obtaining materials for future works of this kind, with more facility. It is not pretended that the present work, is entirely free from defects; but, it is believed to contain as accurate a mass of information of the several kinds it is designed to communicate, as, in any incipient compilation of this nature, can be reasonably expected. Whether the experiment, now made, will so far succeed, as to encourage a continuance of similar efforts to serve the public, is yet to be ascertained.

#### COURTS OF PROBATE.

The business usually assigned to Courts of Probate viz. the Registration of Deeds, Wills, and other matters of Record, is a business which, in this State, has been generally attended to by the Courts of Pleas and Quarter Sessions, in each County. No Courts, for the sole and exclusive purpose of attending to matter of this kind, have been established in this State, until very recently. At present there are only four Courts established in this State, that are exclusively Courts of Probate; and even in those Counties where they are established, business of this kind may still be transacted in the Courts of Pleas and Quarter Sessions, as is the practice in all the other Counties. The present Courts of Probate are only those established in the Counties of Cumberland, Pasquotank, Rowan and Rutherford. The following are the times at which these Courts respectively meet.

Cumberland, the Friday after the 1st Monday in  
 January, April, July and October.

Pasquotank, the 1st Monday in each month, excepting those months in which the Court of Pleas and Quarter Sessions for that County meets.

Rowan, the Friday preceding each meeting of the Court of Pleas and Quarter Sessions. This Court meets in the town of Lexington.

Rutherford, the 2d Monday in each month, excepting those months in which the Court of Pleas and Quarter Sessions for that County meets.

**I. OF THE BAPTIST CHURCHES.**

An effort was made to procure a correct list of the Baptist Churches in North-Carolina, and of the names of the Ministers of these Churches; but the effort proved unsuccessful. Should this work, however, meet with sufficient encouragement from the public, to warrant the publication of a Register for 1824, hopes are entertained, that this, as well as some other chasms, which must unavoidably be perceived in the present publication, will be satisfactorily supplied. At present, all the information that can be procured relative to the Churches of the Baptist denomination in North-Carolina, will be found in the following list of their Associations; of the number of Churches embraced by each Association, and of the names of their respective Corresponding Secretaries

<i>Associations.</i>	<i>No. of Churches.</i>	<i>Corresponding Secretaries.</i>

From the above statement, it appears, that the Baptist Ministers of North-Carolina are divided into 12 Associations. The number of Churches reported by these Associations is 196. The number of Churches embraced by the Flat River and Neuse Associations, not having been reported, could not, of course, be ascertained.

#### IV. PRESBYTERIAN CHURCHES.

The Presbyterian Churches are all represented in their several Ecclesiastical Judicatories. The Presbyterian Ministers residing in this State, when assembled in a collective body, do, with such Ruling Elders as their Churches appoint to act in conjunction with them, form an Ecclesiastical Court, known by the title of "The Synod of North-Carolina." This body consists of three subordinate Ecclesiastical Courts, called Presbyteries, viz. "The Presbytery of Orange;" "The Presbytery of Concord;" and "The Presbytery of Fayetteville." The following table contains the names of all the Presbyterian Ministers, of all the Presbyterian Churches, whether supplied or vacant; and, of all the candidates for the Gospel Ministry, who have been licenced to preach the Gospel, but not ordained—within the State of North-Carolina.
