Would not this be exalting unity in the testimonies of the Assembly above the unity of believers in Christ? Would you expect us to distract, with such questions, the mind of a sinner, in the earnestness of his soul confessing Christ? Would it not be a desecration of a scene so hallowed, to intrude these things of earth, "which minister questions, rather than godly edifying, which is in faith?

To debar from the communion of the Church on earth, is to pronounce, in most solemn terms, our judgment that such a sinner is debarred from heaven. And if it is proper, and of duty to examine an applicant for church membership upon these questions, it would be equally proper, and of duty to urge them upon one whose last sands of life were running down, and who was about to sink into the grave without the hopes of the gospel. For if these matters are of such religious importance, as to justify exclusion from the fellowship of God's people in the Church on earth, they are enough to banish the sinner from the presence of God forever. If any of us were called to the dying bed of one whose eye of sense was growing dimwhose life had almost ebbed awayand we were asked to improve the few last moments, in speaking words which should be for the life of an immortal soul; while we felt the pressure of that cold hand, and saw the earnest spirit dimly shining through those glazing eyes, and in the muteness of approachng death, pleading that we would quickly point to the way ot life-in such a moment of that soul's peril, would we once think of slavery, or the Southern

I have now on hand some forty or fifty applications for assistance which cannot be met before our genera collection is taken up in January next.

You will remember, perhaps, that is was stated in my report to the Assembly that upwards of one hundred of ou church edifices were entirely destroyed About one half of this number have been rebuilt or repaired. We have before us many urgent claims from this quarter.

Further, it is imperatively necessar that we enlarge our evangelistic labor for the Freedmen. We have the offer of something like twenty ministers dispos ed to enter upon this work, if we could only guarantee them support.

Now, for these different objects, we urgently need at least \$50,000. While I have every confidence that our own churches will do their best, I am afraid we shall not realize from them more than the half of this amount.

Now, if your Committee can aid us in this matter, it will confer solid and lastplace us under renewed and increased obligations to our Christian brethren in Kentucky. In what way you should bestow your benefactions it is for the Committee, of course, to decide. We think however, if you can make appropriation in the bulk to our Committee from time to time, we could use the fund to the very best advantage. The system of Domestic Missions which we are perfect ing, and with which you, no doubt, be came somewhat acquainted at Memphis is probably the best that has ever been devised, and cannot fail ere long to place all our feeble churches on a solid four

We expressed the opinion to friends at the Memphis Assembly that the time had not come for that body to discuss and define the ecclesiastical status of the freedmen among them. That especially was it inexpedient to discuss in thesi the question whether the Church should, irrespective of the current feeling in society at the South, and still more at the North, against the social admixture of the two races thus thrown together in the providence of God, undertake to set popular opinion and prejudice at defiance, by the utterance of abstract dogor as Evangelists.

Profanity in High Places. At the grand reception of the newly elected members of Congress in Wash ington City, just previous to the meeting of Congress, among the speakers was, as is reported, the Hon. Richard Yates, U. S. Senator from the great State of Illinois. In the course of his speech he took occasion to refer to the Scriptures, when he made such blunders as would confer no honor on a Sunday School boy ten years old. For example, misquoting and jumbling together parts of the 103d and 126th Psalms, and ascribing the authorship to the Apostle; also misquoting and misreferring a passage in the New Testament. But we have not referred to this because of the blundering ignorance of the Senatorial expounder.

There is a darker and more profoundly sad aspect of the case, viz: A perversion of the high and holy uses of Scripture, an irreverence and a degradation of the words of inspiration, and a mingling of things holy and unholy, which can hard ly be followed by anything else but the curse of God.

It is a sad hour when the preachers of the land have become politicians, and the politicians have become preachers. The following is the part of the speech as re-

"When I see the results of this great triumph, I feel like exclaiming, in the words of the Apostle, 'Bless the Lord, O my soul! and all that is in me give thanks; for the mercy and justice of God endureth forever.'

This utterance was greeted with ap plause, and the speaker proceeded:
To my Democratic friends I would quote a passage of Scripture-(laughter)-but of course the Senators are so familiar with Scripture-(renewed laughter)-and this crowd is so versed in Scripture-(laugh. ter)-that I need not quote it here, and I there fore content myself with simp- Rome'

Dr. Cumming and Mis-reporters.—In "A INTERESTING AND VALUABLE HOLIDAY BOOKS, addressed to the NITTONIA umes of its missionary publications, in Times, Dr. Cumming corrects a mis-report of a recent sermon by which he was asserted to have fixed the consummation of all things and the end of the world in the year 1866; "I never said nor meant it. I merely took the opportunity of stating that twenty years ago Elliott and the greatest writers on prophecy, starting from A. D. 532, or from A. D. 606, have converts of the Baptist Mission, and has taught that we may expect this year the final judgment on the Papacy, so far as Providential. But all of us expect it is not to be utterly destroyed till He comes whose right it is to reign. The earth, I believe, is to be transformed, not annihi lated. I have stated in a work published in 1865, called The Last Warning Cry, and illustrated by historical proofs in a work which Nisbet will publish in a few days, entitle I The Sounding of the Last Trumpet, that the great prophetic epochs, on the fairest and most reliable data expire in 1867. In one of these I have written, "I adhere to the solution I have given of the exhaustion of the great chronological epochs of prophecy as alike most probable and most justified by induction from events. How soon after 1867 the Redeemer will return and take the kingdom and reign over all the earth, I cannot say.'

I have often heard a poor blind girl find Him. Never allow alienation of sweetly sing, "Kind words will never distance to exist between you and your die." Ah! we believe that these are dearest Friend on earth or in heaven. among the things that "will never wear out." And we are told in God's own book to be "kind one to another, tender-hearted, forgiving one another."

The word of the Lord will never wear

The life of the righteous will never wear out. They will live in the world to come, as long as God shall live; but the death of the wicked will last forever. The joys of the kingdom of heaven will never wear out. The pleasures of THE PROMISE, nor the PROMISER. And this world soon die; but the enjoyments

of that world will never have an end. The crown of glory will never wear out. The crown of the winner in the Olympic games soon faded; the crowns of kings will all wear out; but the crown of glory will never fade away. Peter

The "new song" will never wear out. We hear sometimes that some of our tunes are worn thread-bare; but that

will never be said of the new song. Which will you choose? The lasting or that which wastes away? The things of time, or eternity? Will you choose wealth, honor, fame; or the joys of heaven, eternal life, the crown of glory, and the "new song?" May God enable us to make a wise choice, and, with Joshua, may we choose to serve the Lord.

"How papa? tell me how?" "By looking happy, and smiling on us all day; and never letting any tear-

The next day, the music of the child's voice filled our ears from sunrise to dark; the little heart seemed iull of light and love, and when asked why she was so happy, the answer came laugh-

Post Office address is Hampden Sidney, Va It has been, and will be the endeavor of the Faculty to inculcate the Christian Religion held in all times by sound Presbyterian sole headship of Jesus Christ over his Church, the exclusively spiritual nature of her functions, the entire independence and separation of Church and State, and the sacred importance of holding the Church and all her tesc ings apart from and above every secular and political concernment. It is manifest hence, that the advantages of this school of sacred learning can be consistently embraced by all true Christians, irrespective of diversities of opinion touching secular affairs. But it is required by candor, that those who reject and oppose with heat the above holy principles, to which we are conscientiously devoted, be not encouraged to resort to this place, where they will find neither sympathy nor support in their opposition.
