Vol. XV

Aug. 3, 1872 - July 13, 1875]

Wash. Aug. 3, 1872.

Yest. Brit. Consul Kay's wife  
buried. Chapel fill'd. Subscribers  
there. Mr Kay show'd feelings.

Mr Lloyd tells me he must  
have read with nephew  
in Bible. He said God had done  
it; spoke high of his wife, had  
gone thro' much trouble with  
him - told him when it  
now gone.

With Mr Lloyd have happy  
an. fellowship.

Kenelm Vaughan R.C. getting  
pounds to print Span. Bible  
Scio, with Douay notes transla-  
ted. I subscribe'd \$300 and

gave him Cheque for it.

a. Balfour	90.-
S. Williamson	90.-
W. B. & Co	100.-
self	20.-

Cond<sup>r</sup>. insisted to have  
copies at cost price per  
act. V. will send me  
list of subscribers, and  
Casanova's letter to him  
on subject.

To day sent letters to David  
with 50.£; Mrs Butcher 250.-  
for Elms; Am. N. Soc. 20.-  
for plates. Copyright value  
196.£ is a grant to me.

Mind you're about my  
debt - how to pay it - 20,000;  
have been caught had to lift it  
for me in these days more  
than usual.

He has provided funds for  
printing Record & Record, so  
that one but little.

He has provided means  
for sending David to U.S. and  
to Calce; & then again  
John. Williamson and  
Balfour 50 £ a year for  
David; and Balfour half  
John's expenses, and Atlantic  
200 for annum for John.

Sat. ev. paper for 16/13  
- but in what Lloyd told

one of his own Commission.  
May God give his Spirit  
hence & now.

Yest. wrote for me Cullach  
inscription for Dea. Simpsons  
monument.

Walked with children  
up hills today - Mary, Wil-  
lie, Stephen, Annie & Julia;  
round of prison & cemetery.  
all enjoyed it. Better to walk  
with them than let them alone  
on Saturdays.

Vancouver has about 4000-  
many in Sentinels - many  
prots. here.

Valp<sup>o</sup> Aug. 9. 1872.

Mc Colloch's youngest child, 4  
mos., died yest. at 11 a.m. Born  
too early, g<sup>th</sup> fear had been felt it  
might not live, but of late seem<sup>d</sup>  
to thrive. Went with him to Cem<sup>t</sup>.  
and select<sup>d</sup> a lot - wish<sup>d</sup> where  
it w<sup>d</sup> "please his wife". Call<sup>d</sup> on  
her, afternoon, - Mrs. Layouly there -  
after a little took us up stairs to  
see the little form - waxlike -  
face full, placid. We all knelt  
in prayer.

Day before

Yest. Sim. visit to Mrs. Gattaheri  
look<sup>d</sup> 3<sup>d</sup> child in seven mos. Sob<sup>d</sup>  
to comfort her by show<sup>g</sup> still  
were living, tho not here.

As did comfort her, tho she  
found it hard to realize and  
feel. Read 2 Saml. 12<sup>th</sup> and  
weas' with her: thank'd me for  
kindness. Had a Bible given  
her when 2 years old on leaving  
England by some friend of family.  
At funeral on 7<sup>th</sup> I read Spanish  
prayer book since in part;  
hardly know'g what to say on a  
3<sup>d</sup> occas. so desolating.

Last evg Ast. Sch. Com.  
- out Alvarado, Bennett,  
Self + McKay. Voted to send  
for new teacher, McQueen -  
I to write Mr. Jusk about a  
passage in str. I am subsc.  
Voted McRay leave of abs.

since Jan 8 a 9 mos. to get home.

Voted to buy his lot and enclose  
it with play ground.

Yest. preparing for Record - have  
remou'd it to Helfman - Dilatory  
& faulty printing of cuts.

Inact Soc. sending me out 20  
more cuts - grants 196.¢ as value  
- artistic - and wd have nee pay  
20.¢ for copying them.

A man had been 2 years  
here - often intox. - wife came &  
his lines were given by her - Colleague  
broke them & urged sh<sup>d</sup> be rec<sup>d</sup> at once  
& placed on Com. roll, but then de-  
nied access to Com. bec. of misconduct  
previous, until repentance. Rules  
of Ch. were quoted; read, he s<sup>d</sup> he sh<sup>d</sup>  
act in disregard of them - as tho

that rule had no existence. I was  
app<sup>t</sup> to see the man - & did - and  
he profess<sup>d</sup> sorrow, distress and  
new faith and intentions. Was  
rec<sup>d</sup>ly new Conf. of St<sup>l</sup> - at late  
meeting. July. then seem<sup>d</sup> quite  
satisfied.

Resol.<sup>ns</sup> about Dea. Simpson's  
decease copy - were incom-  
plete. accept in gen<sup>l</sup> - and  
I request<sup>d</sup> to write out & present  
to meet<sup>g</sup> on Friday Ev<sup>g</sup>, prepar.  
Lecture; did so - reading before  
denman. Coll. 2 mos. later  
at Ch. meet<sup>g</sup> spoke long and  
delib. that I had "designed"  
not to exclude debate on  
the resol.<sup>ns</sup> - he did not  
know that Mr S. had visit<sup>d</sup>

sick as stated in them; and further  
presentation of them in midst  
of div. service was "indecent".

McCulloch spoke my cross  
to church, but I said nothing. At  
end of meeting I said, I had thought  
I was carrying out vote of the  
church. It was an error, not  
to call a ch. meeting after  
the lecture service; but not  
to wave the harsh words ult<sup>d</sup>.

If the mems. of ch. attend  
such meetings they will control  
them.

Chas. Graham McCulloch.

Feel what death is only  
when touches own blood -

family - esp. offspring.

E. Butler's son died in prime,  
educated - elected to Com<sup>ms</sup>; as  
tree: for, none what had  
been.

Babe sprouting game, just  
above ground, & with us:

Get game of complete hu-  
manity; might have been  
develop'd yet has not: still  
may be.

Suff. lit. ch. "recog. this  
"of each is his" of beliefs.

∴ It is sheph<sup>d</sup> - takes  
beliefs' back not to arrest  
develop<sup>ts</sup>; not to cast again  
into non exist<sup>ce</sup>: all live  
into him. Takes in arms

2. Not to condemn and  
let perish: tho organically  
bound in wae of race, yet  
pers. innocent. God, & of  
all S. will do right.

3. May there not be organic  
union betw. ev. real  
believer that secures,  
with God, their faith before  
develops into salvation?

4. Takes babe, to unite  
parents by new bond to  
unseen world - to realm  
of death, representative  
in it: to H<sup>m</sup>, print of his  
own body there.

(1) There no time to resignation  
— no retreat at all — our  
unseen — living, transplanted  
— hope to meet again.

(2) Such are the hopes in  
Christ. He is Shepherd. Now  
we need of him — so  
need a thousand deaths.

Thouf. not to bel. in It<sup>r</sup>  
is self murder — child  
murder, Bel. him in  
any thing! that may have  
this hope in him.

1. Sobre los padres - im-  
portancia de instruirse  
su prole en la moral; vir-  
tud, justicia, caridad. No de-  
jar indurarse el corazón en ego-  
ismo y pecados, sino cuando tier-

recibir educación esmerada,  
de pureza, de fe.

En dónde se ha de hacer;  
en la familia. Tanto de-  
pende de los padres, cuanto  
más temprana edad de las criaturas  
que son los hijos de la casa.

La madre! quien puede calen-  
tar el influjo de una madre

piadosa que susma al niño  
en la Cavidad de Cristo, y  
ora diariamente a Dios  
por hijo. Maa bendición  
en tener tal madre; un  
don celestial tener un padre  
que trace el camino de  
la vida ante su hijo y  
que de' el ejemplo de andar  
en ello!

Del reconac<sup>to</sup> es el bau-

I. When take to evil courses and no character - all lost, all bad

II. When adopt line of relig. negligence - meeting for wps. & absent 2e; live in community and not at Church; infl<sup>ce</sup> dd-stenious.

III. When avoid evil courses and still neglect rel. duties; may moraliz<sup>n</sup> & humiliate make impl. <sup>ce</sup> dangerous, hurtful.

vicinity of those towing out,  
and getting into unbelief.

Genkins of looking to W. as  
to temper

Prayer for Sellers, McKay,  
determined me.

Thurs. Oct. 8/74.

Sale of Dixie - Mc Gill  
came in with Mr. S. Leighton  
Taking him out I said if he  
wants Pentilla to let me bid  
all in at \$1000. and she have  
it at 500. - This I thought he

agreed to, but an entry Lighton  
bid 1050. - 1000 being upstart  
price. I s<sup>d</sup> nothing, asking  
G. if L. was bidding for self  
he s<sup>d</sup>, yes; and bid 1100. -  
Andoavegui remarks to me  
G. had no fianzas. Josué  
W. wd not accept respon-  
sibility of his bidding.

I s<sup>d</sup> then I wd take the 1100.  
He had pass<sup>d</sup> to L. a yell.  
envelope on which he  
wrote something - figures  
I presume.

L. off<sup>d</sup> \$25. more I s<sup>d</sup> 50.  
to that. The other \$10. I  
50. He 25<sup>r</sup> & 50 - till it

was 1610. his bid - a d<sup>o</sup> 1650 a  
at that once, twice, thrice  
it was knock'd down to me.  
Mr. G. claim'd he had right to  
cut hill for his deed. W<sup>m</sup>  
I'd so deed might say, but  
with no right. W<sup>m</sup> had told  
him his fa. had sent with a  
lady below & gain'd it - that  
she c<sup>d</sup> not cut. & Cousins  
had obtain'd their consent to  
cut hill.

To day attendees and  
family away in Zulpué,  
Saw Mrs Sherrington for, &  
supper, last time. Prayer  
with her - said dis. "wear's  
her away". Sent fa bunch of  
flowers for me.

Friday Oct. 9. 1874.

Surpris'd to hear 1<sup>st</sup> thro' Eg-  
dais, next by note from Mr  
Elli that he thought me  
bound to believe him have  
purchased because he did  
not bid up to 2200. & I  
was prepared to do.

Saighton, he writes, was  
bidding for some one on  
the hill. But it was our  
Mc Gill's fianza.

More than that Mr E.  
bid himself, tho' his bid  
was ruled out for want  
of fianza. Saw he says

he had over & sends me copy  
L.H. marks; dated yet. & and  
Certify of lesias as sign in  
his presence.

I told Maurice & show'd  
him McJ's note. He says  
not to listen to it; & Mc  
Laughlin that it strange L.  
& McJ. came as they did. B.  
W. Leigh says McJ. has no  
claim.

I do not want the mini-  
try to be blamed, but he  
did not adhere to what  
I propos'd.

Further I told him tho he

was to purchase, he must  
not cut the bill, as  
it might bring down my  
power.

His claim to own it al-  
ready, & to have "right to cut  
thro' to road as Eds. has done"  
w<sup>d</sup> any allow a small  
p<sup>ty</sup>: but E. never cut;  
his lot of wadd<sup>rs</sup> corner  
houses just as now stand.

that God may be preparing her for
